WE CAN
HELP BRING
YOUR GREAT
CLASSROOM
IDEA TO LIFE.

Are you a teacher with an innovative classroom project idea? Or do you know a teacher or a classroom that would benefit from a grant? Michigan Schools and Government Credit Union offers Classroom Cash Grants worth up to \$750.

HOW IT WORKS:

1. **Apply.** Fill out a simple online application at classroomcash.org from September 1 to October 1, 2021. Tell us about your project and how it will enhance your students' learning experience.
2. **Vote.** Rally your students, colleagues and families to vote for your project at classroomcash.org during the voting period from October 15-25, 2021.
3. **Receive funding.** The projects with the most votes will win grants! Recipients are announced on November 2, 2021 at classroomcash.org.

Founded by educators, Michigan Schools and Government Credit Union is dedicated to education and success in the classroom. That's why every year we are proud to offer \$45,000 in Classroom Cash Grants to teachers who are working hard to enhance their students' learning experience in unique ways. Now in its 16th year, the MSGCU Classroom Cash Grants program has awarded more than \$525,000 to more than 900 local teachers.
